Things change, so please confirm that the hotel you choose still takes dogs and ask about fees when you make your reservation. Please have your canine companions on their best behavior. We recommend dogs are not left in the room unattended and, as always, pick up after them.

NOTICE TO EXHIBITORS: It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In that case, no refund of any fees paid will be made. Exhibitors and dog owners are expected and required to clean up after their own dogs. Any person witnessing a violation of this rule must report it to the Event Committee. The Event Committee may ask any person violating this rule to leave the event grounds. No refund will be made if an exhibitor is asked to leave the grounds. Dogs may not be left unattended when crated in soft mesh crates. No dog may be left in an unlatched or unzipped crate. Dogs must be kept on leash except when being judged or when crated.

ROUTE TO THE SHOW: Directions - from the south and east - Get to Hwy 394/12. Take Hwy 12 west to Howard Lake. About a mile west of Howard Lake, take a right on County Road 5 (heading North) to Cty Hwy 35 (there is a stop sign at this intersection). Turn left (west) on 35 until you reach the gravel road Newcomb - this is a blind intersection and easy to miss. It is the first gravel road after you pass the T intersection with County Road 4; Newcomb is 1 mile west of that intersection. If you get to the stop sign at Hwy 3, you missed it. Turn right (north) on Newcomb. In 1/2 mile, the road turns to the right and becomes 5th St NW. After the turn, we are the first driveway on the left. Long driveway, yellow house on the hill with a vineyard below it. Fire number 13172 is posted by mailbox. Note that a river runs through the area and many roads stop and start. People who do not follow these directions and turn off early because they see a road name they recognize end up lost, because the roads do not go through.

REFUNDS: No refund of entry fees will be made for entries cancelled after the closing date, except in the cases of bitches that come into season or injured dogs. In those cases, refunds may be obtained by providing a veterinarian's certificate to the Event Secretary before the start of the trials. Entry fees shall not be refunded in the event that a dog is absent, disqualified, excused by Veterinarian or Judge, or barred from competition by action of the Event Committee or UKC. If, because of riots, civil disturbances, or other acts beyond the control of the host organization it is impossible to open or to complete a show or trial, no refund of entry fee will be made. If, in the opinion of the host club, the well-being of dogs, exhibitors or spectators is at risk due to extreme weather conditions, such as, but not limited to snow storms, hurricanes, lightning, or extreme heat, the host club may cancel or stop a show or trial before completion. No refunds will be made in such cases.

NOTE: There will be a Malamute pull in conjunction with the UKC pulls with puppy, novice and competition levels
